Free 2024 Information Sessions around Ageing

Join the Clinical Educators at Resthaven Inc., and other experts, in one hour information sessions covering topics of interest: Advance Care Directives, Palliative Care, Skin Management, Parkinson's and Falls Prevention, Continence Management, Dementia, Mental Health and Wellbeing and Navigating Aged Care Services. Free Tickets via Trybooking: www.trybooking.com/events/landing/1161096 See the kitchen noticeboard for more information.

Congregational Database

Especially for emergencies, it is essential that the church database is kept up to date. It would be most helpful if you would let me know if you have changed your **home address, email address, phone numbers and emergency contacts/phone numbers** in the **last 7 1/2 years**. Your information will be held in a private database and will not be shared with anyone other than the minister without your permission. Only phone numbers and email addresses will be in the Congregation Directory, which I am also trying to update. Please also let me know if you no longer have a landline so I can delete the number from the directory. Emergency contacts/numbers will be kept in a place where appointed persons will know in a case of emergency. Sharon—Admin

Counting the offering

We are in great need of people to help count the offering on Sundays after the service. Training on the job! Please volunteer your time, once a month or less so the same people don't have to do it every week. Please send me an email or give me a call if you think you could do it! Sharon.
