## Church Council News---- Lesley Warner

Church Council, with myself as chairperson, met in February for the final meeting of the 2021 members and then in March, after the congregational meeting, as the Council for 2022.

Meng, Russell and Woody continued on from last year while Val and George came on board as new members. We also welcomed Carole, as 'treasurer', who joined us to give her financial report.

As COVID-19 regulations gradually relax we have the expectation that our lives and the life of the church will get back to 'normal' again. This may be a 'new normal' as we adjust to changing times and changing needs. At Council meetings we will be exploring how best we can meet congregational needs for worship and community fellowship through 2022. We may try some new ways to do things and sometime those new ways may not work out the way we hope and expect. Please be patient, be prepared to give new things a go and if they don't work let Council know so that we can try again.

If you have any ideas of things we should do or ways we should do things please let us know.

One way of getting to know your Council is for us to tell you a little about ourselves.

This month its my turn:

I arrived in Australia, Adelaide, with my first husband and children in 1970. We worshiped at Tusmore Park Presbyterian Church. I was reminded yet again when I applied for the UC Police Check last month that I have not yet become an Australian Citizen so I do not have the Australian passport that makes the identity check so easy. I claim that I will wait to take out citizenship until I don't mind whether New Zealand or Australia wins when they play each other at rugby. I retired to Adelaide in 2007 so that I could work in the South Australian Museum as an Honorary Research Scientist and I still work there up to 4 days a week. My speciality is parasitic worms so I don't talk about it much over the dinner table.

My decision to move to back to Adelaide meant that I do not have any family close by. My son and his family are in Brisbane, my daughter and hers are in England and I have various cousins, nieces and nephews in New Zealand. So I understand what is like to feel isolated from family, especially over the past 2 years. Outside of church activities I enjoy gardening, reading, swimming and horse riding.

## Beanies, Blankets & Basics

Start knitting & sewing & collecting for “**Together Day**” at **BCUC, Friday, 22nd April 2022**. Fellowship and Friendship groups from across SA Uniting Churches are invited to start knitting, crocheting and sewing goods for sending to Op Shops, Aboriginal communities and Bush Patrols for distribution. For the less crafty – how about creating Basic bathroom toiletries packs for men or women, and pop in a pair of warm socks too! All these items are blessed at Burnside and distributed by Bush Chaplains and through Packing Day connections.
